Pertinent Information - (Warnings, Warranty, Terms and Conditions & Shipping Information)

WARNINGS

The products described in the Sage Control Ordnance, Inc. catalogs and price lists are to be used with extreme caution and only by trained personnel. Be sure to read the instructions contained in or on each product package before using. Sage Control Ordnance, Inc. warrants the use of reasonable care in the manufacture of its products, but assumes no other liability, expressed or implied, for their use or misuse.

Sage Control Ordnance, Inc. SL1 and SL6 Multi-Role Projectile Launchers will chamber other manufacturer's ammunition. Ammunition other than the types manufactured or approved by Sage Control Ordnance, Inc. should not be used in SL1 and SL6 Multi-Role Projectile Launchers. Serious injury or death to the firing officer, bystanders or the perpetrator could result from the use of non-Sage Control Ordnance, Inc. manufactured or approved ammunition. Any damage to SL1 or SL6 weapons as a result of using non-Sage Control Ordnance, Inc. manufactured or approved ammunition will void any and all warranties.

SPECIAL WARRANTY INFORMATION

All Sage Control Ordnance, Inc. ammunition and components are manufactured in the United States of America. Sage Control Ordnance, Inc. will not be responsible for defect claims, liability claims or accidental damage claims arising out of the use of ammunition it did not manufacture or authorize for use in SL1 and SL6 weapons. Sage Control Ordnance, Inc. will not be responsible for any claims for careless handling, unauthorized adjustments or modifications, the use of defective or improper ammunition, corrosion, neglect, abuse or unreasonable use.

TERMS AND CONDITIONS

- All prices are in Dollars US.
- All prices are FOB our plant Oscoda, Michigan.
- All transfer of loaded ammunition and component parts are subject to BATF regulations.
- Prices are subject to change without notice
- Hazardous Material fees are added for all loaded ammunition and propelling charges where applicable. Freight charges are in addition to the Hazardous Material charges.
- Any and all returns will incur a 15% restocking fee.
- Sage Control Ordnance, Inc has a policy of continuous development and improvement, thus reserves the right to alter specifications and product configuration without notice.
- Prices do **not** include local taxes, state taxes or Federal Excise Tax (FET).
- Weapons, loaded ammunition and propelling charges are subject to their respective calculated Excise Tax.
- Local, State and Federal Government entities must show proof of exemption from Federal Excise Tax. Orders cannot be shipped until exemptions are in our hands.
